

Business Administration

Course Number:	BUAD 346
Course Title:	SUSTAINABLE MANAGEMENT
Credits:	3
Calendar Description:	Formerly BUAD 339. This course explores sustainability theory and sustainable management practices for private-sector business. Environmental, social and economic concepts are integrated and applied across business disciplines. Sustainability models and evaluation frameworks are used to understand how sustainability can impact strategic thinking, operational decision-making, and performance reporting. Students with credit for BUAD 339 Topic - Environmentally Sustainable Enterprise cannot take BUAD 346 for additional credit.

Professor

Roger Wheeler
Course Captain
