**Notes:**

- (1) The “Service Project” can be completed individually or in small teams (2-4). Projects will be posted in Moodle and presented by the community partner early in the semester. See assignment details on Moodle.
- (2) The Service Project assignment will consist of a client group final report worth 25%. (Note: an individual reflection of the project will form the final journal assignment).
- (3) The course exam will cover the course readings, class discussions and learning activities throughout the semester. This will be an online moodle exam, open book, and **will require access to a computer to write the exam in class**. See professor and course schedule for additional details and exam format.
- (4) The team SE assignment consists of a group class facilitation (the group is selected by your professor) analysing a social entrepreneur of your choice and leading a class discussion
- (5) Journal format requires 4 in-depth journal entries throughout the course covering specific materials and activities. See assignment details on Moodle

Late submissions will have a 10% penalty deduction per day, for a maximum of 5 days (assignments will not accepted after this point unless there are exceptional circumstances which are to be discussed directly with your professor).

**Required Texts/Resources**

- There will be a series of weekly readings, cases, and learning activities (such as videos, blogs) – see course schedule on the next page
